- It is the user's responsibility to understand fire drill procedures displayed around the premises.
- Users are asked to attend any sessions on fire safety procedures and the use of fire safety devices.

FIRST AID

- Provision for first aid facilities are available where training is delivered.

- Current occupational health and safety guidelines indicate that people working for long periods at computers should organise their work so as to allow a five to ten minute rest every hour. This rest should include a change of position and stretching exercises as appropriate.
- Posture can be improved by adjusting chair height so that the operator's feet are comfortably placed on the floor (or footrest) and your arms are at an approximately 90-degree angle.
- The screen should be positioned to avoid reflection from lights and windows and at a suitable distance so that it can be easily read.

UNIQUE STUDENT IDENTIFIER (USI)

From 1 January 2015 if you are undertaking nationally recognised training delivered by a registered training organisation you will need to have a Unique Student Identifier (USI). A USI gives you access to your online USI account which is made up of ten numbers and letters.

A USI account will contain all your nationally recognised training records and results from 1 January 2015 onwards. Your results from 2015 will be available in your USI account in 2016.

When applying for a job or enrolling in further study, you will often need to provide your training records and results. One of the main benefits of the USI is that you will have easy access to your training records and results throughout your life.

You can access your USI account online from a computer, tablet or smart phone anywhere and anytime.

Do you need a USI

You will need a USI when you enrol or re-enrol in training from 1 January 2015 if you are a:

- student enrolling in nationally recognised training for the first time,
- student continuing with nationally recognised training.

You are a continuing student if you are a student who has already started your course in a previous year (and not yet completed it) and will continue studying after 1 January 2015.

You can either create your own USI or have Rii Skills Centre do it for you, if you created your own USI you will need to supply on your enrolment form so your training outcomes can be linked and you will be able to:

- view and update your details in your USI account;
- give your training organisation permission to view and/or update your USI account;
- give your training organisation view access to your transcript;
- control access to your transcript; and
- view online and download your training records and results in the form of a transcript which will help you with job applications and enrolment in further training.

If you are an international, overseas or an offshore student please visit <http://www.usi.gov.au> for more information.

How to get a USI

It is free and easy for you to create your own USI online.

Steps to create your USI

The following steps show how you can create a USI:

Step 1 Have at least one and preferably two forms of ID ready from the list below:

- Driver's Licence
- Medicare Card
- Australian Passport

- Visa (with Non-Australian Passport) for international students
- Birth Certificate (Australian)
- Certificate Of Registration By Descent
- Citizenship Certificate
- Immi Card

Step 2 Have your personal contact details ready (e.g. email address, or mobile number, or address).

Step 3 Visit the USI website at: usi.gov.au.

Step 4 Select the 'Create a USI' link and follow the steps.

Step 5 Agree to the Terms and Conditions.

Step 6 Follow the instructions to create a USI – it should only take a few minutes. Upon completion, the USI will be displayed on the screen. It will also be sent to your preferred method of contact.

Step 7 You should then write down the USI and keep it somewhere handy and safe.

ENROLMENT

Rii will enrol all students who apply to Rii and who meet the enrolment criteria. To ensure high quality study conditions, Rii sets a maximum number of students for each course, having due consideration to the venue and type of course. To enrol, contact the Rii office or use our website at www.riiskillscentre.com.au where you will be able to book and pay for a course.

Enrolment procedure

Upon receipt of a student's enrolment form the information on the form will be entered into '**JobReady**' and the enrolment form filed in a 'course file'. You will receive confirmation of your enrolment and the content of the course. Our specially designed AVETMISS (Australian Vocational Education and Training Management Information Statistical Standard) accredited database known as **JobReady** will be used for storage of all records associated with a scheduled course.

ACCESS TO FUNDING

Students are advised that acceptance of funding for a qualification may inhibit / limit the success of future traineeships / funding accessibility.

COURSE INFORMATION

Students are required to demonstrate "competency" at the completion of each course. Competency may be assessed by observation of practical demonstration and written and verbal techniques. Should a student be found Not Satisfactory on the completion of the course every effort will be made to ensure that with additional mentoring that a favourable outcome can be achieved.

ASSESSMENT & ISSUANCE OF QUALIFICATIONS POLICY

Rii issues a Statement of Attainment to students that have meet all requirements for the course they have undertaken. Courses that are Nationally Recognised are consistent with the Australian Skills Quality Authority.

Doc. No: Rii-QA-02	Print Date: 7 January 2019	Original Issue Date Jan 01, 2019	Issue Number / Date ONE / Jan 01, 2019	Review Date 1 Year	Page: 9 of 21
Document Name: Student Handbook					

In order to achieve a statement of attainment students are required to have completed all the necessary assessment and evaluation procedures as prescribed by Rii for any particular Unit of Competency. By so doing, students can be assured that they comply with the requirements of the course and the assessment and evaluation competencies as prescribed.

The Company will issue Qualifications and statements within 30 calendar days of the learner being assessed as meeting the requirements of the training product if the training program in which the learner is enrolled is complete, and providing all agreed fees the learner owes to the Company have been paid.

Assessment for a statement of attainment will at all times be by demonstration of competency in any given area of study or within a Unit of Competency. Grades will not be given. Students will be assessed as either: “S” = Satisfactory; or, “NS” = Not Satisfactory. “I” = Incomplete

The Appeals and Grievance policies makes it possible for any student to appeal a decision on any assessment provided by Rii and he/ she can be assured of a fair and equitable hearing on the matter.

An Appeals and Grievance Form must be completed and submitted before the formal process of reviewing the assessment can commence.

Statement of Attainment

Students who successfully complete one or more units of competency or modules or an accredited short course will be eligible for a statement of attainment. This statement of attainment may be able to be used as a credit towards other courses.

We would appreciate you doing this in writing. You are important to our future and we hope we are an important part of your future. To facilitate this we provide each student with a Feedback form to be returned with your final examination forms at the completion of the course.

CANCELLATION & REFUND POLICY

If for any reason Rii or Partner or 3rd Party is unable to fulfill its service agreement with a student, Rii must issue a full refund for any services not provided. The basis for determining "services not provided" is to be based on the units of competency completed by the student and which can be issued in a statement of attainment at the time the service is terminated.

Where a student cancels from a course after commencement, and has Units of Competency that have been delivered/made available online, a pro rata charge will also apply.

The charge will be calculated by dividing the total cost of the course by the Units of Competency include in the course, to establish the cost for each unit of Competency. Payment will be charged to the student based on the cost of each unit, by the number of units completed.

Enrolment is accepted on the basis that the Company will not be held liable for costs incurred due to course cancellation or rescheduling. The Company will use all endeavours to give as early advice as possible of any course changes.

Cancellation policies for specific course may apply to override this general policy.

Course dates and fees are subject to change without prior notice.

Your completion and return of this survey is important to Rii for our ongoing improvement of services and to enable us to report this information to our registering authority. Your assistance in gathering this survey data is greatly appreciated.

CLIENT SUPPORT

Language, literacy and numeracy skills are critical to almost all areas of work. This is particularly true in many vocations where language, literacy and numeracy skills influence the performance of workplace tasks such as measuring, weighing and comprehending written work instructions.

To support this approach Rii will:

- Support students during their study with training and assessment materials and strategies that are easily understood and suitable to the level of the workplace skills being delivered;
- Provide clear information to students about the detail of the language, literacy and numeracy assistance available;

RECOGNITION OF PRIOR LEARNING (RPL)

In accordance with the requirements of the Standards for Registered Training Organisations, Rii provides the opportunity for students to apply to have prior learning recognised toward a qualification or units of competence for which they are enrolled.

What is recognition?

Recognition involves the assessment of previously unrecognised skills and knowledge that an individual has achieved outside the formal education and training system. Recognition

assesses this unrecognised learning against the requirements of a unit of competence, in respect of both entry requirements and outcomes to be achieved. By removing the need for duplication of learning, recognition encourages an individual to continue upgrading their skills and knowledge through structured education and training towards formal qualifications and improved employment outcomes. This has benefits for the individual and industry. Most importantly, it should be noted that recognition is just another form of assessment.

Recognition guidelines

The following guidelines are to be followed when an application for recognition is received:

- Any student is entitled to apply for recognition in a course or qualification in which they are currently enrolled.
- Students may not apply for recognition for units of competence or a qualification which are not included in Rii's scope of registration.
- Whilst students may apply for recognition at any time, they are encouraged to apply before commencing a training program. This will reduce unnecessary training and guide the student down a more efficient path to competence.
- Students who are currently enrolled in a training program are eligible to apply for recognition in that program at no additional charge.
- Assessment via recognition is to apply the principles of assessment and the rules of evidence.
- Recognition may only be awarded for whole units of competence.

Forms of evidence for recognition

Recognition acknowledges that workplace skills and knowledge may be gained through a variety of ways including both formal and informal learning or through work-based or life experience.

In evaluating evidence, Rii applies the following rules of evidence:

- Sufficient;
- Valid;
- Authentic; and
- Current

Like assessment, recognition is a process whereby evidence is collected and a judgement is made by an assessor or assessment team. The judgement is made on evidence provided by candidates of the skills and knowledge that they have previously learnt through work, study, life and other experiences, and that they are currently using. It also includes evidence to confirm a candidate's ability to adapt prior learning or current competence to the context of the intended workplace or industry.

Forms of evidence toward recognition may include:

- Work records;
- Records of workplace training;
- Assessments of current skills;
- Assessments of current knowledge;

- Third party reports from current and previous supervisors or managers;
- Evidence of relevant unpaid or volunteer experience;
- Examples of work products;
- Observation by an assessor in the workplace;
- Performance appraisal; or
- Duty statements.

Many of these forms of evidence would not be sufficient on their own. When combined together, with a number of evidence items, the candidate will start to provide a strong case for competence. Rii reserves the right to require candidates to undertake practical assessment activities of skills and knowledge in order to satisfy itself of a candidate's current competence.

CREDIT TRANSFER

Getting credit for your current competence

Rii acknowledges the requirement as an RTO to recognise the awards issued by other RTOs. This is limited to outcomes that are drawn from the national skills framework being units of competence awarded and accurately identified in statements of attainment and qualifications.

What is credit transfer?

Credit transfer is the recognition of learning achieved through formal education and training. Under the Standards for Registered Training Organisations, qualifications and statements of attainment issued by any RTO are to be accepted and recognised by all other RTOs. Credit Transfer allows the unit of competency previously achieved by a student to be recognised when they are enrolling in a related course where those units can assist them in meeting the requirements for a qualification.

Evidence requirements

If you are seeking credit you are required to present your statement of attainment or qualification for examination by Rii. These documents will provide the detail of what units of competency has been previously issued. You must provide satisfactory evidence that the statement of attainment or qualification is yours and that it has been issued by an Australian RTO. Statements of attainment or qualifications should be in the correct format as outlined in the Australian Qualifications Framework Implementation Handbook. You are required to submit copies only which are certified as a true copies of the original.

Credit transfer guidelines

The following guidelines are to be followed in relation to credit transfers:

- Any student is entitled to apply for credit transfer in a course or qualification in which they are currently enrolled.
- Students may not apply for credit transfer for units of competence or qualification which are not included in Rii's scope of registration.

- Whilst students may apply for credit transfer at any time, they are encouraged to apply before commencing a training program. This will reduce unnecessary training and guide the student down a more efficient path to competence.
- The student does not incur any fees for credit transfer and Rii does not receive any funding when credit transfer is granted.
- Credit transfer may only be awarded for whole units of competence. Where a mapping guide identifies a partial credit, this will not be considered for credit transfer and applicants will be advised to seek recognition.
- Credit transfer will only be issued when the student's enrolment includes at least one other unit of competency for which the student is participating in training or is seeking recognition. Student may not enrol only for credit transfer.
- The recognition of a unit of competency under a credit transfer arrangement is not contingent on the applicant demonstrating their currency. If the unit has been previously awarded and equivalence can be demonstrated then the unit can be recognised. The currency of the applicant is not a factor to be considered.

UNIQUE STUDENT IDENTIFIER PRIVACY NOTICE

If you do not already have a Unique Student Identifier (USI) and you want Rii Skills Centre to apply for a USI to the Student Identifiers Registrar (Registrar) on your behalf, Rii Skills Centre will provide to the Registrar the following items of personal information about you:

- your name, including first or given name(s), middle name(s) and surname or family name as they appear in an identification document;
- your date of birth, as it appears, if shown, in the chosen document of identity;
- your city or town of birth;
- your country of birth;
- your gender; and
- your contact details.

When we apply for a USI on your behalf the Registrar will verify your identity. The Registrar will do so through the Document Verification Service (DVS) managed by the Attorney-General's Department which is built into the USI online application process if you have documents such as a Medicare card, Birth Certificate, Driver Licence, Australian Passport, citizenship document, certificate of registration by descent, ImmiCard or Australian entry visa.

If you do not have a document suitable for the DVS and we are authorised to do so by the Registrar we may be able to verify your identity by other means. If you do not have any of the identity documents mentioned above, and we are not authorised by the Registrar to verify your identity by other means, we cannot apply for a USI on your behalf and you should contact the Student Identifiers Registrar.

In accordance with section 11 of the Student Identifiers Act 2014 Cth (SI Act), we will securely destroy personal information which we collect from you solely for the purpose of applying for a USI on your behalf as soon as practicable after the USI application has been made or the information is no longer needed for that purpose, unless we are required by or under any law to retain it.

The personal information about you that we provide to the Registrar, including your identity information, is protected by the Privacy Act 1988 Cth (Privacy Act). The collection, use and disclosure of your USI are protected by the SI Act.

If you ask Rii Skills Centre to make an application for a student identifier on your behalf, Rii Skills Centre will have to declare that Rii Skills Centre has complied with certain terms and conditions to be able to access the online student identifier portal and submit this application, including a declaration that Rii Skills Centre has given you the following privacy notice:
